Do you know where you're go-ing to? Do you like the things that life is show-ing you? Where are you go-ing to, do you know?

Do you get what you're hoping for? When you look behind you there's no open door.

What are you hoping for, do you know? Once we were standing still in time,

Chasing the fantasies that filled our minds. And you knew.
Now looking back at all we planned,
we let so many dreams just slip through our hands.
Why must we wait so long before we see
how sad the answers to those questions can be?
